

COVID-19 Financial Assistance and Debt Service Relief

This tracker includes the IMF's COVID-19 financial assistance and debt service relief for member countries from March 2020 through March of 2022. We have archived the information and will no longer provide updates.

The IMF is providing financial assistance and debt service relief to member countries facing the economic impact of the COVID-19 pandemic. This page provides an overview of assistance approved by the IMF's Executive Board since late March 2020 under its various [lending facilities \(/en/About/Factsheets/IMF-Lending\)](/en/About/Factsheets/IMF-Lending) and debt service relief financed by the [Catastrophe Containment and Relief Trust \(CCRT\) \(/en/About/Factsheets/Sheets/2016/08/01/16/49/Catastrophe-Containment-and-Relief-Trust\)](/en/About/Factsheets/Sheets/2016/08/01/16/49/Catastrophe-Containment-and-Relief-Trust). Overall, the IMF is currently making about \$250 billion, a quarter of its \$1 trillion lending capacity, available to member countries (<https://www.imf.org/external/np/fin/tad/extarr11.aspx?memberKey1=ZZZZ&date1key=2025-12-31>).

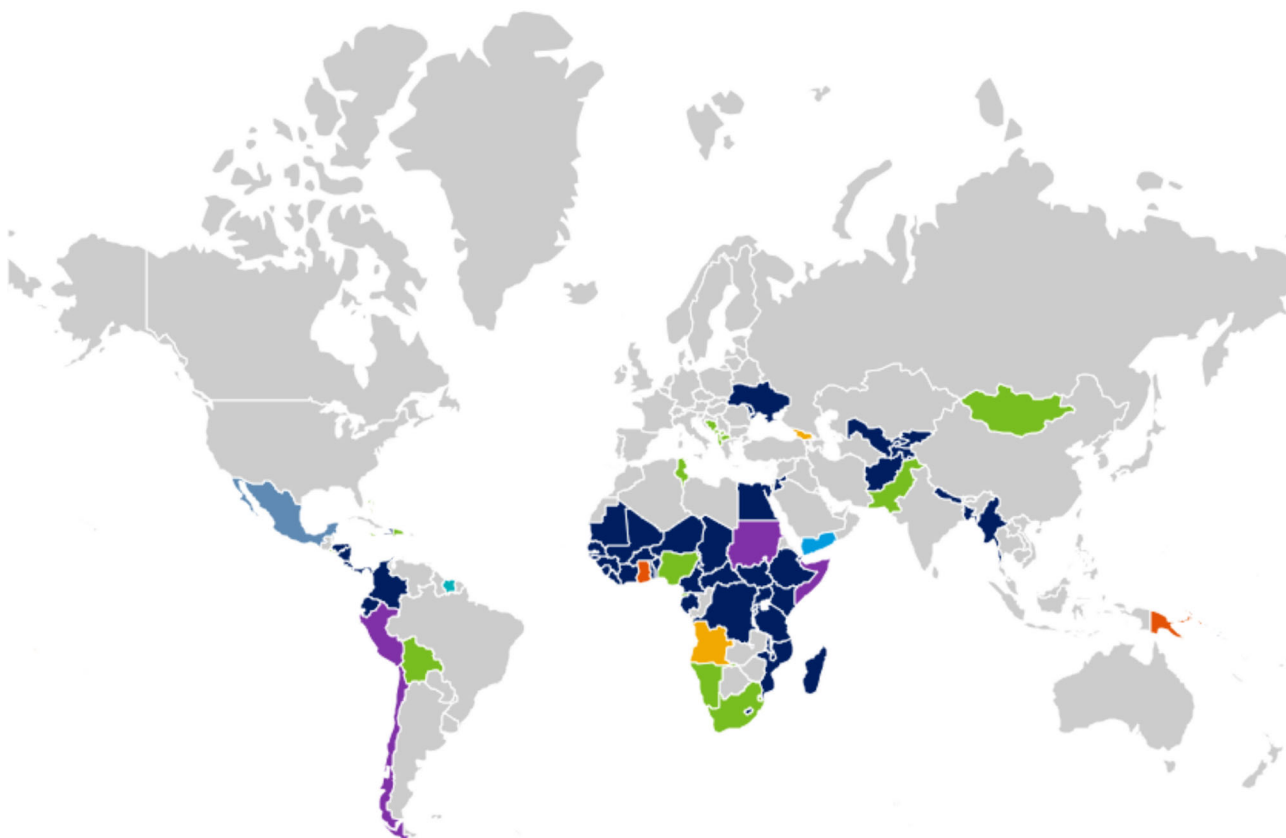

As part of the COVID19-related rapid arrangements, borrowing countries have [committed \(-/media/Files/Topics/COVID/tracker-pdf/governance-commitments-in-covid-19-rapid-instruments-as-of-10-18-2021.ashx\)](/media/Files/Topics/COVID/tracker-pdf/governance-commitments-in-covid-19-rapid-instruments-as-of-10-18-2021.ashx) to undertake governance measures to promote accountable and transparent use of these resources.

	Catastrophe Containment and Relief Trust (CCRT) 5th Tranche (#####)

Total Debt Relief for 31 Countries:

1st Tranche: SDR 183.12 million / US\$ 251.24 million ³ (#ftn)

2nd Tranche: SDR 168.40 million / US\$ 237.46 million ³ (#ftn)

3rd Tranche: SDR 168.07 million / US\$ 238.05 million ³ (#ftn)

4th Tranche: SDR 87.94 million / US\$ 123.95 million ³ (#ftn)

5th Tranche: SDR 82.05 million / US\$ 114.59 million ³ (#ftn)

Debt service relief total: SDR 689.58 million / US\$ 965.29 million ³ (#ftn)

¹ The regional distribution of countries follows the organizational distribution at the IMF.

² Amounts calculated using the SDR/US\$ exchange rate of the day of approval.

³ Aggregate US\$ amounts are presented for illustrative purposes.

⁴ The countries listed in the table are those that benefited from the 1st, 2nd, 3rd, 4th, and 5th tranches of CCRT debt service relief for eligible debt service falling due during the periods April 14 through October 13, 2020, October 14 through April 13, 2021, April 14 through October 15, 2021, October 16, 2021, through January 10, 2022, and January 11,

2022, through April 13, 2022. Chad is not listed in the 1st tranche since it did not have debt service to the IMF falling due during the period covered by that tranche. Tanzania is not listed in the 3rd tranche since it did not have eligible debt service falling due during the period covered by that tranche. Similarly, Burundi, the Democratic Republic of Congo, Nepal, Tanzania, Togo and the Republic of Yemen are not listed in the 4th tranche since they did not have debt service to the IMF falling due during the period covered by that tranche. Finally, Chad, the Democratic Republic of the Congo, Mozambique, Tanzania, and Togo are not listed in the 5th tranche since they did not have debt service to the IMF falling due during the period covered by that tranche. Given the lack of clarity within the international community regarding the recognition of the government in Afghanistan, the 4th and 5th tranches of debt relief for Afghanistan were not approved.
